

Networking & Doing Business with Russia
Free International Trade Network Seminar
In Association with Albion (Overseas) Ltd

25th March 2010

Russia with a population of over 140 million and new found wealth from vast mineral deposits presents an exciting and challenging market for the seasoned and novice exporter alike.

NWLCC invites you to be a part of this exciting and diverse market which, spans 2 continents by joining a distinguished panel of experts from Albion (Overseas) Ltd, SGS, Russia House, UKTI and of course the Chamber of Commerce to enable you to participate the Russian success story. You will not just discover tips about effectively exporting to Russia but you will also be able to tailor your own growth needs through the 1-2-1 networking session with the panel of experts.

Who Should Come

- Managing Directors, Sales Directors, Export Managers, HR Managers and anyone else interested in building market share through international trade

Why Attend

- Opportunity to realise your exporting potential to an exciting overseas market. Places for this seminar are limited and are offered on a first come first served basis. Expand your market share & exchange best practice by networking with a diverse range of fellow exporters
- Obtain tips and advice from a panel of experts regarding exporting to Russia and as well as general export
